#### **About UBA:**

Unnat Bharat Abhiyan is a flagship program of the Ministry of Education, Government of India. It aims to bring transformational change in rural development processes by leveraging the knowledge and expertise of higher education institutions. Under this initiative, students will visit identified villages to conduct surveys and assess the problems faced by the local communities.

#### **Key objectives of UBA:**

- To engage with rural communities and identify key challenges
- To conduct surveys to collect relevant socio-economic data
- To develop and recommend sustainable, practical solutions
- To promote awareness regarding government schemes and rural development

This initiative provides students with a valuable opportunity to gain field exposure, contribute to nation-building and develop skills in leadership, research, and community service.

#### **Note:**

The last date for registration is **02 September 2025**. We encourage all interested students to register promptly to avoid missing this opportunity.
